

EAT GOOD, DO GOOD DAY

As a locally-owned and independent restaurant, Parky's Smokehouse is very committed to making our schools, churches and communities better places to live. If you would like to raise money for your organization, here's how our Eat Good, Do Good Day works:

1. You select a date, Sunday-Thursday, for your organization. Only organizations raising funds to benefit our area communities and counties will be considered.
2. You provide a logo for your organization in a jpeg file if possible. We design a coupon (3 per page) and a flyer for your organization. We email the coupon and flyer to you. You email and copy as many as you would like to distribute. (Coupons may not be distributed on premises.)
3. Though it is not required, we suggest a couple of members from your organization be at the restaurant the evening of your event to greet and thank your supporters. You may even entertain your guests or find an entertainer to donate their talents to draw more excitement if you like. (You must be 18 or older to enter the bar area. Entertainment plans will need prior approval.)
4. Supporters bring in the coupon and present it to their server. Each coupon is good for one guest check. All guest checks with a coupon are tallied at the end of the day.
5. Parky's will donate 15% of all regularly-priced items back to your organization!
6. We hope your organization will raise anywhere from \$30 to \$150 for your efforts. It just depends on how much advertising you do. There are several places that might be willing to help advertise your "Eat Good, Do Good Day" for free like Radio Mom, Boone County Community Network website, Lebanon Reporter Community Calendar, schools, churches and Channel 19.

Let us know when you would like to schedule your "Eat Good, Do Good Day" at Parky's!
